

STUDY GUIDE:

Three Loves

1. Before beginning this study, write what you think of when you hear the word “love” (there is no wrong answer to this question, unless of course you don’t really think of it☺!).
2. From the sermon, what are the three loves? (give an example of each)

For the next questions, you will need to utilize either an exhaustive concordance or a topical Bible. Both can be obtained at a library, borrowed from the church, purchased at bookstores or Amazon.com, or found online at such sites as Biblegateway.com and E-sword.net. If you feel unable to complete the research for the study, do as much as you can.

3. Look up the times the word “love” is used in the New Testament. What kinds of love are there (please explain your answers).
4. As you read the passages, what do you learn about love as it applies to God (cite the passages you are learning from).
5. How did Jesus express love (please cite references)?
6. What examples of “eros” do you find in the New Testament?
